

St Germans Community Shop

Fundraising and Share Issue

The Community Shop Group has progressed to the stage of needing to raise funds to open the shop. It is anticipated that the costs of converting and equipping the premises will be approximately £34,000. Grants are available, but most will only match fund money raised locally and so it is essential that the community support this fund raising effort.

If the fundraising is successful, the shop should open on 1st March 2010.

Please see overleaf for a summary of the terms and conditions. Further details are available on the website or by calling the treasurer, Dave Stroud on 01503 230429.

I/We would like to purchase £10 shares in the community shop. Shares are legally restricted to **one per person**. Please give the full names of share purchasers here and give individual addresses if different from that shown below.

St Germans Community Shop

Fundraising and Share Issue - Summary Terms and Conditions

The shop will be run as an Industrial and Provident Society for the Benefit of the Community. This is the legal structure adopted by most community shops and is regulated by the Financial Services Authority. By law, any profits the shop generates must be either reinvested in the shop or used for the benefit of the community.

Individuals and companies are encouraged to become members of the society by the purchase of a £10 share. These shares are restricted to one per member and cannot be refunded or transferred and carry no right to interest or dividend. Members are entitled to vote at the AGM. The liability of the member is limited to the value of this share. Members must be at least 18.

Donations of any amount will be gratefully received. Many grants require match funding which means that the value of your donation can be doubled.

Loans of between £100 and £1000 will be gratefully received from individuals and companies but please note that loans are accepted on an unsecured basis and for a minimum period of one year with a subsequent 6 month notice period. No interest will be payable in the first year – the rate thereafter will be set at the AGM.

Full details are available on request.
