

A Justification to Join a Very Good Cause Support St Germans Community Shop.

People are very generous to good causes, often charities, that we often hear about, whether natural disasters or situations affecting peoples' lives, and often children in need. Recently £600 was raised at one tea party here in St Germans in aid of Haiti.

We in St Germans have an excellent good cause right on our own doorstep; the need for a shop that will last.

Without a shop, the village becomes a suburb, housing devalues, more cars are used for even small shopping trips, and those who do not drive or find walking a problem find shopping an extra difficulty.

So, for the sake of the village, villagers young and old, we have a best cause which can be served by standing orders, monthly, to the new St Germans Shop bank account.

WE NEED A WELL SUPPORTED, WELL FUNDED SHOP THAT IS SUSTAINED.

People who work may not have time to donate, but instead could see the shop as a good cause worth contributing to, easily and simply done by arranging a standing order. This method of support could also appeal to retired folk, this author for one!

HOW ABOUT YOU?
